ABOUT THE ARTIST

Based in Cannes, Ambre Ballester embodies a rare sonic elegance, shaped by a cosmopolitan journey through the French Riviera, Morocco, Switzerland, Ireland, and the Czech Republic. Through her performances, she unveils a refined electronic sound—merging organic sensuality with radiant energy.

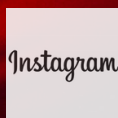

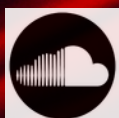

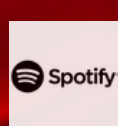

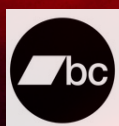

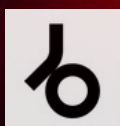

Her sets, subtly textured and deeply emotional, stand as immersive experiences crafted for exceptional venues and audiences seeking authenticity and sophistication. Ambre curates a sonic universe where cultures intertwine through deep grooves, hypnotic layers, and a signature that is both contemporary and timeless.

An artist affiliated with renowned collectives such as Maison Sonore, Oraison Sonore Studio, and Love Zone, she also maintains a strong connection with Radio FG, a leading voice in the French electronic scene. Her collaborations with prestigious houses like Gucci, Dior, Jimmy Choo, and Bvlgari highlight her ability to bring a distinctive aura to the most refined worlds.

Ambre Ballester represents a new generation of visionary artists—at the intersection of luxury, sound artistry, and sensorial experience. Her sonic aesthetic, both mystical and organic, transcends borders and elevates every event **through** the power of sound.
